DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant is advised that the Response to Rule 312 Communication mailed 2/7/2007 is vacated because of the following reason:

Applicant's amendment filed on 1/30/2006 will not be entered because the amendment was filed after the issue fee was paid. 37 CFR 1.312 no longer permits filing an amendment after the date the issue fee has been paid

Applicant must file a petition to withdraw this case from issue, file an RCE, and a rule 78 petition if applicant wants the priority claim at this late stage of the process. Please see MPEP 714.16. Note particularly section II.

Any inquiry concerning this communication should be directed to XIAO M. WU at telephone number 571 272-7761.
